PROFESSIONAL EXPERIENCE

Graphic Designer and Social Media Manager Intern

2025 - PRESENT

AL HARMAIN | Online Islamic Institute

- Designed 30+ visual assets including social media posts, flyers and branding materials using Sketch and Canva.
- Managed and scheduled social media content, improving visual consistency and audience engagement across platforms.
- Developed creative design concepts that strengthened the institute's online brand identity and digital presence.
- Collaborated with a team of 4–5 designers to deliver marketing visuals and promotional campaigns on time.

EDUCATION

University of Lahore, Lahore 2022-Present

- Bachelor of Science in Computer Science
- GPA: 3.62 / 4.0

Pakistan International School Jeddah 2020–2022

- Intermediate in Computer Science (ICS)

PROJECTS

Graphic Design Portfolio (Canva, Figma, Sketch, Photospea)

- Created 20+ professional visuals including logos, flyers, social media posts, and promotional reels for online brands.
- Increased audience engagement for clients by approximately 30% through consistent branding and visual storytelling.

Currently working on Shopsie – Mobile App for Smart Shopping with navigation and price comparison

- Working on a mobile application enabling users to create shopping lists and find the shortest, most cost-effective routes to nearby stores. Integrated shopkeeper and rider modules to boost local shop.
